

Waconia Marching Band Scholarship Application

Dear Band Parent,

The Waconia Band Boosters would like all eligible and interested students to have the opportunity to participate in the summer marching band season. In past years we have stepped in to help students as best as we can through providing need-based scholarships. If a family is undergoing a financial hardship, have experienced a job loss, or are currently enrolled in the free and reduced school lunch program, scholarships are available to help cover a portion of the cost of marching band membership fees.

In return for financial assistance, the Waconia Band Boosters ask that you and your child participate in events and fundraisers throughout the year. The band program does various fundraising throughout the season to cover operating expenses, including these marching band scholarships. Individuals requesting financial assistance for membership dues are asked to take part in as many fundraising events as possible AND expected to volunteer at band events throughout the year.

Funds are budgeted for and limited scholarships are available. Each scholarship application will be reviewed.

The following guidelines must be followed to apply for scholarship or special payment considerations:

1. Complete the Scholarship Application on the following pages.
2. Turn in completed forms to band office or Booster President Sherry Voigt by March 1st, 2013.

This IS NOT a scholarship based on academic achievement or leadership this IS a financial need scholarship.

If a payment plan is needed to extend the payments over a longer period of time please fill out the following forms and indicate your proposed payment plan in number four.

If you have further questions please contact one of the band directors.
