

Nashville & New Orleans Trip
WHS Band & Choir Musical Trip – Sponsored by Waconia Community Education
March 7 – 12, 2014

The students of Waconia High School will be given both musical performance and music education opportunities on this tour. Some highlights include a performance at Trinity Church, tours of various major music performing venues, music performances in both Nashville and New Orleans and we plan to visit many of the musical and historical markers in both of these regions, including the Oak Alley Plantation, Jackson Square and the French Quarter and more. One of the great things about this trip is that it is a 100% optional trip that provides an opportunity for those students who are NOT in marching band or show choir to travel as part of a music ensemble. This trip will be taken by motor bus and no school days will be missed for this trip. A detailed literary of what is included in this trip is available on the Community Education website or in the High School music department.
