

Waconia Band Boosters

It's time for the 2014 Fruit, Poinsettia, and Bird Food Fundraiser!

All fruit and poinsettias are supplied to us from locally owned *Mackenthun's Fine Foods* and the birdseed is supplied to us from our local store owners at *Jim Gilbert's Wild Bird Store* and *Waconia Farm Supply*.

Students earn a profit towards their band account on each item sold. As in the past, 85% of the profits go into the student's account and 15% goes into the general fund which helps pay for items that all band members benefit from.

 *** **Kracker Jax:** a mix of sunflower hearts, peanut hearts, and cracked corn. The next most popular bird food at Jim Gilbert's Wild Bird Store that contains only shelled seeds, so no shells to collect under the feeder and nothing to sprout! Birds attracted to this mix are Cardinals, Blue Jays, Finches, Chickadees, Nuthatches, and Woodpeckers.
