Click on “Calendar” tab. Please note that Dates/Times are subject to change.

## **Director's Corner**

Welcome back to school BAND families. We are excited to have such a great group of students who love music. Pep Band starts beginning of September so check the dates above, keep in mind they are subject to change. Pep Band is required for High School Band, your student needs to attend a specific amount of times as it is part of their grade.

Jazz Band and Showchoir Bands will have tryouts mid September. The music is online at our website, so if you plan to tryout start practicing now. They won't start weekly practice for a few months, but we like to get the bands set up in advance.

If you are new to the High School, take a minute and become familiar with our website [waconiabands.com](http://waconiabands.com) – the tabs at the top include Calendar, all Bands and Fundraiser which has the Scrip Link. We do our best to keep the information current to help you plan and know what is happening.

Go Big Black! Mr. Pohland, Mr. Snyder, & Mrs. Palmer
